

CUSTOMER INFORMATION	
Customer	
Contact	
Phone Number	
Email	
Date	
Date Needed	
Quantity	

WISE	INFORMATION
Type of vise (hydraulic or pneumatic)	
Supply pressure	
Stroke per jaw	
Repeatability required	
Clamping force	
Top jaw length (from base jaw)	
One fixed jaw? (Yes or No)	
Safety device? If yes in what version: MC or MA	

EXTERNAL LOAD	INFORMATION
FZ (Axial Force) in N	
MX (Moment about the X axis) in Nm	
MY (Moment about the Y axis) in Nm	
MZ (Moment about the Z axis) in Nm	

WORK ENVIRONMENT REQUIRING OPTIONS	INFORMATION
Temperature range of work environment	
Application (grinding, assembly, machining, welding, other)	
IP rating required - Is there coolant, heavy dust, debris or oil present?	

OPERATIONAL PREFERENCES	INFORMATION
Time to open/closed jaws (for each direction)	
Preferred location for hydraulic supply connections	Side Base Manifold

POSITION SENSING

No

Yes, include sensing kit
